Solidarity Fund PL within the framework of the EU funded „EU4Skills” Programme and in accordance with art.4, point 8 of the law of the Republic of Poland of 29 January 2004 on public procurement invites interested experts to apply for a position/ assignment of:

“Local expert on international exchanges/ mobility in VET”

1. Background information

The EU4Skills programme is a multidonor programme funded by the EU and its member states: Germany, Finland and Poland. The aim of the programme is to assist the reform of TVET sector in Ukraine. Programme’s activities focus on modernization of the content of education and improvement of its quality as well as on the reform of VET governance.

Vocational education has been clearly designated in Ukraine as a regional responsibility, and both Regional Councils (elected bodies) and Regional State Administrations (executive bodies) now have the responsibility for developing strategies, allocating funding and ensuring operational management of regional VET systems. However, regional governments lack the experience, capacity and resources to not simply maintain the status quo but to introduce methods and approaches that would transform VET systems and institutions in line with the national reform principles, regional development priorities and the requirements of dynamically shifting regional economies and labour markets.

Solidarity Fund PL (SF PL) is a Programme’s partner organization and its work package under the EU4Skills Programme primarily focuses on strengthening capacities of the regions to manage their VET provision networks and on helping the regions to conduct evidence-based policies in the VET sector. This work package (referred later as “SF PL Work Package”) contains 5 major activities, namely:

- 2.11 – Development of Labour Market Intelligence System
- 1.2. – Development of 7 regional VET action plans
- 1.6. – Development of VET funding mechanism
- 1.7. - Development of VET budgeting mechanisms
- 2.10. – Support to development of career guidance service provision

Most of the abovementioned activities will be implemented in 7 focus regions of Ukraine. However, the models and solutions developed will also be promoted across the whole country.

Expert engagement under this assignment will be related to activity 1.2 – Support to development of regional action plans. The above mentioned action plans supported by SF PL envisage among their priorities the actions aimed at improving VET schools capacities to participate in international programmes and exchanges. This assignment will support the above mentioned action by helping vocational schools from 7 priority regions to prepare projects ready for available international exchange programmes (with their partners from the EU).

2. The tasks under planned assignment are as follows:

- a) **to provide advisory assistance to Ukrainian vocational schools in the development of at least 10 cooperation projects under the Erasmus+ priority action “Mobility” or 7 international exchange projects including at least 3 tripartite projects under priority action “Strategic partnerships” of Erasmus+ Programme. The assistance will take a form of group and**

individual consultations and work on the developed texts of the applications. Consultations will cover the subject (content) of projects, the planned forms of support as well as the planned budgets and formal and procedural aspects of applications.

- b) To contribute to webinars aimed at building capacities of the regional VET networks (in the regions: Lviv, Rivne, Poltava, Vynnytsia, Zaporizhia, Mykolaiv, Chernivtsi) for participation in international exchange programmes**

3. Duration of the assignment:
